# 10th ENGINEERS OF FUTURE INTERNATIONAL STUDENT SYMPOSIUM

EFIS 2026

## 18-19 June 2026
## ZONGULDAK BÜLENT ECEVİT UNIVERSITY
## ZONGULDAK-TÜRKİYE

Dear Students, Researchers and Faculty Members,

We are delighted to invite you to the 10th annual Engineers of Future International Student Symposium (EFIS 2026, https://efis.beun.edu.tr/), hosted by the Faculty of Engineering at Zonguldak Bülent Ecevit University.

This year, the symposium will be held on 18-19 June 2026 at the Zonguldak Bülent Ecevit University, Turkey.
The aim of EFIS 2026 is to provide a platform for undergraduate and graduate students to present their research and gain valuable experience.

It is a multidisciplinary symposium that welcomes papers from all branches of engineering.

The symposium has a large scientific committee comprising local and foreign scientists, ensuring a high standard of academic quality.

Participation fee for EFIS 2026 is 500 TL, and the symposium proceedings will be published as an ISBN numbered booklet.

The full-text papers selected for the EFIS 2026 symposium will be accepted after passing the peer review (blind review) and will be eligible to be published in the Zonguldak Bülent Ecevit University "Karaelmas Science and Engineering Journal" (ISSN: 2146-7277 Karaelmas Science and Engineering Journal). The ethical principles and publication policy of the mentioned journal and publication ethics information can be reviewed via the links provided below.
https://dergipark.org.tr/tr/pub/karaelmasfen/policy.
https://dergipark.org.tr/tr/pub/karaelmasfen/page/10353.

We extend a warm invitation to esteemed professors and their mentored students to join us for this enriching academic event.

Best regards,
Organizing Committee of EFIS 2026

**Abstract Submission: 5 June 2026**
**Program Announcement: 15 June 2026**
**Symposium: 18-19 June 2026**
**Deadline for Full Text Submission: 17 August 2026**
