31<sup>st</sup> International Scientific-Expert Conference of Agriculture and Food Industry (AGRI FOOD 2021)  
27-28 September 2021, Ege University, Izmir, Turkey

## ***INVITATION***

On behalf of AgriFood 2021 Organizing Committee, we take immense pleasure in inviting all the participants all around the world to attend the “31<sup>st</sup> International Scientific- Expert Conference of Agriculture and Food Industry “ which will be held during September 27-28, 2021 at Izmir-Turkey with the theme “Future of Agriculture, Agriculture of Future”.

The conference, which has been held for many years within the scope of the protocol signed between Agriculture Faculty of Ege University and Agriculture and Food Sciences Faculty of Sarajevo University, is one of the best examples of cooperation between Turkey and Bosnia and Herzegovina. Thus this conference main aim gather scientists, specialist, policy maker and emerging new talent young researchers, industrial participant, especially in the Western Balkan countries but also in other parts of the World, in Agriculture and Food Industry. The extensive and interactive conference program will enable local, regional and global experiences and research to be shared with the participant to build scientific networks and legacies that will extend beyond the Conference.

Taking into account the current health situation because of COVID-19, the conference will be held online.

All presentations and discussions during the event will be held in English and there will be no translation.
