Things to Consider: 1) Will you be able to broadcast the conference and 2 extra rooms so that workshops can occur while the conference is also going on? 2) Doug and Teresa will have to present on the Morning of the July 26 to be able to also do all the workshops. (We can also look for others to present the workshops but that takes away the F2F possibly.) 3) Will you be able to have a similar set-up at CIU and AUCAD? 4) What will you charge for Workshops as there should be an extra charge. 5) Do you want the Academic Workshops Repeated for September 1-2 as Virtual Workshops Only?

Sayın Rektörüm,

Yükseköğretimde kalite ve akrediasyon kavramları dünyada ve ülkemizde en önemli konulardan biri haline gelmiştir. Kalite ve akreditasyon konusunun yükseköğretimde farkındalığını artırmak amacıyla Yükseköğretim Kalite Kurulu, Uluslararası Kıbrıs Üniversitesi, Sakarya Üniversitesi ve İstanbul – Cerrahpaşa Üniversitesi'nin işbirliği ile bu yıl **9. Uluslararası Kalite Konferansı** (IQC22 – www.icqh.net)-düzenlenecektir.

Uluslararası Kalite Konferansı'nın temel hedefi; ortak çalışmalar için zemin yaratabilmek, üniversite eğitimindeki artan kalite süreçlerinin çözümü için öneriler sunabilmek ve günümüz yükseköğretim dünyasında beliren yeni eğilimleri, araştırma sonuçlarını ve kavramsal bakış açılarını paylaşmak ve müzakere etmektir. Oturumlar sonrasında; alanında uzman akademisyen ve bilim insanları tarafından aktarılan makro politikalar, modeller, reform hareketleri ve yöntem önerilerine odaklanacak bir konferans içeriği oluşturulması amaçlanmaktadır.

IQC 2022 konferansına uluslararası kalite ve akreditasyon kurumlarında görev alan aşağıdaki bilim adamları çağrılı konuşmacı olarak katılacaktır (<http://www.icqh.net/keynotes>):
