

ISADET 2 2022 Call for Papers
16-18 June, 2022—Kahramanmaraş,

Turkey URL: [isadet.com](http://www.isadet.com)

Dear Scientists;

We are pleased to invite you to participate in the *International Symposium on Advanced Engineering Technologies (ISADET 2)* which has been scheduled to take place in Kahramanmaraş, Türkiye between June 16 and 18, 2022. Over one hundred scientists and researchers from a number of different countries have been invited to participate in ISADET 2. We kindly hope that ISADET 2 will be a place for exchange of information, networking and strengthen our connections.

The symposium offers onsite, online and poster presentation sessions from the participants on different subjects related to Engineering Technologies. Presentation language will be Turkish or English.

For more information about symposium organization and topics please check our website. We wish to welcome our participants in Kahramanmaraş on June 2022.

With best regards,
Organizing Committee

International Symposium on Advanced Engineering Technologies

16-18 June 2022
