

6th PAK-TÜRK International Conference On **Emerging Technologies** **In The Field Of Sciences And Engineering**

Ek-1

" Türkiye's 100th Anniversary. We are stronger together, our beloved Turkish Nation."

Topics

Nuclear Astrophysics
Electrical Engineering
Mechanical Engineering
Civil Engineering
Data Science
Internet of Things
Electronics
Statistics
Chemistry & Chemical Engineering
Environmental Sciences and Engineering
Physical Sciences
Computer Science
Biotechnology
Microbiology
Material Science
Mathematics
Energy Systems Engineering
Forest Industrial Engineering
Physical Geography
Welding Technologies
Manufacturing Engineering

MAY
4-6
2023

16th International Conference on **Nuclear Structure Properties**

Ek-2

"Türkiye's 100th Anniversary. We are stronger together, our beloved Turkish Nation."

NSP 2023

Topics

Nuclear Structure
Nuclear Reactions
Nuclear Astrophysics
Nuclear Models
Nuclear Scattering
Nuclear Energy
Nuclear Reactors
Nuclear Analytical Methods
Accelerator Physics
Medical and Health Physics
High Energy and Particle Physics
Nuclear Application in Life Science
Radiation Measurements and Dosimeters
Other Related Topics

MAY
8-10
2023
