

Dear Colleagues and Students,

To bring together academicians, students and sectors working in the field of Nanotechnology and Polymers, **III. National I. International Nanotechnology and Polymer Days (UNIPG 2025)** will be held between 25-27 June 2025 in Isparta/Turkiye, hosted by Sleyman Demirel University, Faculty of Engineering and Natural Sciences, Department of Chemistry.

We aim to create an important platform where the latest developments in the fields of Nanotechnology and Polymers will be shared, and to make important contributions to the research of scientists and the visions of our students.

We are excited to welcome you in Isparta for UNIPG 2025 and would be happy to welcome you.

Regards

Prof. Dr. Aysegl UYGUN KSZ
